

# Joint Fire Science Program 2005 Projects

## Planning, Preparedness and Decision Support

---

### Title

**FuelCalc: A Tool for Calculating Wildland Fuel Quantities and Qualities and Supporting Fuel Management Decisions.**

### Primary Contact

Reinhardt, Elizabeth D.

**Email:** ereinhardt@fs.fed.us

**Phone:** (406) 329-4760

### Collaborators

Rocky Mountain Research Station  
Western Ecological Research Center

---

### Title

**Integrated Analysis for Management of Fire and Fuels, Terrestrial and Aquatic Ecological Processes, and Conservation of Sensitive Aquatic Species.**

### Primary Contact

Luce, Charlie

**Email:** cluce@fs.fed.us

**Phone:** (208) 373-4386

### Collaborators

Pacific Northwest Research Station  
Rocky Mountain Research Station
